

# HERE IS WHAT YOU CAN DO

TO ENSURE THAT OLDER AMERICANS ACT (OAA) NUTRITION PROGRAMS IN YOUR STATE AND ACROSS THE COUNTRY ARE ABLE TO SERVE THE GROWING NUMBER OF VULNERABLE, ISOLATED AND HUNGRY SENIORS.

1

## FUND OAA NUTRITION PROGRAMS, LIKE MEALS ON WHEELS,

at the President's FY 2016 request of \$854.6M and support an additional \$20M for new nutrition innovation grants. These programs save taxpayer dollars by keeping seniors independent in their own homes and out of hospitals or nursing facilities.

2

## REAUTHORIZE, STRENGTHEN AND PROTECT THE OAA,

the federal legislation that supports the delivery of social and preventative services to some of our most isolated and vulnerable Americans, including nutritious meals for nearly 2.5 million seniors.

3

## END SEQUESTRATION FOR FY 2016 AND BEYOND AND REPLACE IT WITH A BALANCED PLAN

that recognizes the significant cuts already made to Non-Defense Discretionary programs. Meals on Wheels programs haven't recovered from the harsh and unnecessary sequestration cuts in FY 2013.
